---

Now comes the Plaintiff in the above-entitled action, and, moves this court for an order granting a 60-day extension from the date of the courts order for the filing of responsive pleading. As grounds for this motion Plaintiff's Counsel, Attorney John M. McLaughlin and Counsel for the Defendant are in negotiations. It is possible that during the 60-day period the parties may resolve this matter and this extension would save the parties considerable attorneys fees.

As further grounds, please see the affidavit of Attorney John M. McLaughlin.
